## **MASSACHUSETTS REQUIREMENT TO PURCHASE HEALTH INSURANCE:**

**As of January 1, 2009, the Massachusetts Health Care Reform Law requires that Massachusetts residents, eighteen (18) years of age and older, must have health coverage that meets the Minimum Creditable Coverage standards set by the Commonwealth Health Insurance Connector, unless waived from the health insurance requirement based on affordability or individual hardship. For more information call the Connector at 1-877-MA-ENROLL or visit the Connector website ([www.mahealthconnector.org](http://www.mahealthconnector.org)).**

This health plan **meets Minimum Creditable Coverage standards** that are in effect January 1, 2020 as part of the Massachusetts Health Care Reform Law. If you purchase this plan, you will satisfy the statutory requirement that you have health insurance meeting these standards.

THIS DISCLOSURE IS FOR MINIMUM CREDITABLE COVERAGE STANDARDS THAT ARE IN EFFECT JANUARY 1, 2020. BECAUSE THESE STANDARDS MAY CHANGE, REVIEW YOUR HEALTH PLAN MATERIAL EACH YEAR TO DETERMINE WHETHER YOUR PLAN MEETS THE LATEST STANDARDS.

**If you have questions about this notice, you may contact the Division of Insurance by calling (617) 521-7794 or visiting its website at [www.mass.gov/doi](http://www.mass.gov/doi).**

# Special Programs & Discounts

## **SPECIAL PROGRAMS & DISCOUNTS**

At Health New England, we strongly believe that health insurance should do more than just pay for doctor's bills when you are sick. After all, we call it health insurance, not sickness insurance. We understand that more than just your own personal health goes into your overall well being. Your work-life, your home-life, your family, your play-time – all of these things factor in to how you are feeling – and ultimately, how healthy you are.

That's why in addition to the comprehensive benefits that we offer, we also provide a number of unique programs to address you and your family's wellness at every stage of life.

### **YOUR FAMILY ...**

#### **Brighter Infant Beginnings**

Welcoming a new baby is an exciting time in your life. It's also a busy one. We want to help by giving you the information you'll need to keep you and your baby healthy during your pregnancy. All expectant members receive the book, "Planning Your Pregnancy and Birth" and "Your Baby, Your Child: A Parent's Guide to Pregnancy and Early Childhood." These books are resources for parents on prenatal issues, early childhood development, and health during the first 6 years of life.

## **YOUR HEALTH ...**

*Support for Your Healthy Lifestyle Choices*

### **Wellness Reimbursement Program**

There is more to staying healthy than seeing your doctor. It's up to you to make healthy choices. That's why Health New England gives you more than just coverage for your doctor visits.

Health New England will reimburse you up to \$150\* per family plan per calendar year towards services such as:

- Aerobic / wellness classes
- Athletic event registration fees
- Bike shares
- Community supported agriculture (CSA) or farm shares (Farms offering CSA shares of vegetables, fruits and other agricultural products can be found across the state. Find a CSA farm that works for you at [massnrc.org/farmlocator/map.aspx?type=csa](http://massnrc.org/farmlocator/map.aspx?type=csa).)
- Fitness equipment and devices (i.e., treadmill, workout videos, fitbit)
- Golf and ski tickets
- Mindfulness classes and apps
- Nutrition classes and apps
- Personal trainer fees
- Qualifying fitness club memberships
- School and town sports
- Weight Watchers®
- Wellness and fitness apps

\* New! For expenses incurred January 1, 2019 and after, the reimbursement offered will be \$200 for an individual plan and \$400 for a family plan, per calendar year. The \$400 payment for a family plan can be split among family members on the plan. The maximum for each member on the plan is \$200.

For more information about our wellness reimbursement program, contact us at (413) 787-4004 or visit:  
[healthnewengland.org/wellness/reimbursement-programs](http://healthnewengland.org/wellness/reimbursement-programs).

## **Need Eyeglasses or Contact Lenses?**

- Diabetes
- Asthma (adult and pediatric)
- Healthy Heart (coronary artery disease, CHF)
- High Risk Maternity

Each program features:

- Educational materials
- Outreach by an Integrated Case Manager from Health New England
- Individualized goal setting based on your wants/needs
- Easy action plans that help you attain the goals you set for yourself
- Solution-focused approaches to assist in removing any barriers you might have in receiving and managing your healthcare.

Best of all, all programs and resources are provided to our members free of charge!

## **Living Well Grocery Store Tours**

Walk through the grocery store with a registered dietician! You'll learn how to read food labels, count carbohydrates, determine portion sizes, fat and cholesterol content, and much more! We offer tours throughout the year at various locations in Western Massachusetts. We also offer this exciting program in a virtual format free of charge to our members.

## Preventive Care – From Cradle through Retirement

We offer a birthday card program to remind our members to seek age appropriate preventive care screenings and appointments with their primary care physician. We mail all members:

- 18-Month Birthday Card (sent to parents of 18 month old children)
- Whiz Kidz Birthday Card (sent to parents of children ages 5-12)
- Women's Health Birthday Card (sent to women age 35 and over)
- Men's Health Birthday Card (sent to men age 50 and over)

## Healthy Alternatives

Health New England members are eligible for discounts through OptumHealth. OptumHealth is a health and wellness company with over 15 years of experience. Founded as American Chiropractic Network, OptumHealth has evolved into an organization that still specializes in chiropractic and physical therapy management but also offers other specialties such as acupuncture, massage therapy and nutritional counseling.

You can find information about discounted services available through OptumHealth at our website, [healthnewengland.org/optumhealth](http://healthnewengland.org/optumhealth).

## HMO PLAN OVERVIEW

### WE'RE HERE WHEN YOU NEED US

If you're like most people, you don't think about your health insurance – until you need it. That's what we're here for. At Health New England, we work hard to make sure you get the care that you need, when you need it – from a routine checkup to emergency care.

Our plans offer all those services and more. Choose Health New England for:

#### *Broad coverage* *Predictable costs*

Preventive care – periodic health exams, routine childhood immunizations, well-child care, and more – we cover it. Emergency care – anywhere in the world, any time of day – we cover it. Inpatient care – hospitalization, skilled nursing facility care, rehabilitation – we cover it. Outpatient care – surgery, diagnostic imaging, specialty services – we cover it. For all covered services, your payment responsibilities are outlined in this summary.

### A PRIMARY CARE PROVIDER TO MANAGE YOUR CARE

You'll choose your own Primary Care Provider (PCP) from our directory. A PCP may be a doctor or participating nurse practitioner of internal medicine, family practice, general practice, or pediatrics. Your PCP is available 24 hours a day to coordinate your care, provide advice and direction, refer you to specialty care, and manage follow-up treatment.

You may select any PCP, except those who have notified us that they no longer accept new patients. Member Services representatives can provide up-to-date information on PCPs in your area. You can even choose a different PCP for each member of your family.

### EASY ACCESS TO YOUR OB/GYN

We cover annual preventive GYN exams and related services – medically necessary evaluations and services for GYN conditions, mammograms, and maternity care. What's more – you don't need a referral! Just schedule your appointment with your in-plan doctor and go.

### SIMPLICITY AND CONVENIENCE

- There are no claim forms to submit when you get care from in-plan providers.
- We don't require referrals for in-plan specialty services – although prior approval is required for a limited number of covered services.
- You have toll-free access to knowledgeable, friendly Member Services representatives who can help you understand your benefits and get the services you need.
- If you feel more comfortable speaking a language other than English, talk to one of our Spanish speaking Member Services representatives, or for other languages, take advantage of our free interpreter and translation service.

## How Your Prescription Drug Coverage Works

Health New England is committed to providing our members with access to safe and effective medications. We cover most prescription drugs and a small number of non-prescription drugs and medical supplies. Covered prescription drugs are divided into three tiers with different member copays. Copays you pay are applied toward your plan Out-of-Pocket Maximum.

### The Health New England Formulary

Covered prescription drugs are divided into three tiers with different member copays.

| 1 - Generic             | Approved by the U.S. Food and Drug Administration (FDA), Generic Drugs (Tier 1) contain the same active ingredients as brand name drugs, are just as safe and effective, and usually cost less. Health New England encourages the dispensing of generic drugs whenever possible. You pay the lowest copay for generic drugs.                                                                                                     | Lowest                                  |
| 2 - Brand/Formulary     | Brand/Formulary Drugs (Tier 2) are marketed under a trademarked brand name, usually by one manufacturer, and do not have less costly generic equivalents. Brand/Formulary Drugs are selected based on a review of the relative safety, effectiveness and cost of the many FDA-approved drugs on the market. Your copay for Brand/Formulary Drugs is higher than for Generic Drugs, but lower than for Brand/Non-Formulary Drugs. | Higher than Tier 1<br>Lower than Tier 3 |
| 3 - Brand/Non-Formulary | Any brand name drug that Health New England has not selected as a Brand/Formulary Drug is a Brand/Non-Formulary Drug (Tier 3). This category includes, any brand name drug that has a generic equivalent (Tier 1) or brand drugs that have formulary generic and brand alternatives. These medications are still covered, but at the highest copay level. We do not waive or reduce copays for Brand/Non-Formulary drugs.        | Highest                                 |

A small list of drugs is not covered. Health New England limits coverage for some prescription drugs. Coverage limits include:

- Prior Approval: Your doctor has to request coverage from Health New England before you can get the drug.
- Quantity limits: Health New England will cover only a certain amount of the drug each month.
- Step therapy: You have to try a drug used to treat the same condition (therapeutic equivalent) before Health New England will cover the drug.

To obtain a complete list of drugs that are excluded, limited, or require prior authorization, or to obtain a copy of the Health New England Formulary listing, please call Member Services at (413) 787-4004 or (800) 310-2835 or visit [healthnewengland.org](http://healthnewengland.org).

## *Two easy ways to get your prescriptions...*

### At a Retail Pharmacy

Through our national pharmacy network, you can get medications at participating pharmacies no matter where in the country you are. Whether you're home, on vacation, or away for business or other reasons, you can fill prescriptions at any of the more than 50,000 pharmacies that participate in our national network. Participating pharmacies include CVS, Costco, Stop & Shop, Walgreens and Target.

Just show your Health New England ID card, along with your prescription or refill, and pay the applicable copay.

### Through the Mail

We also offer a mail service option, in case you want to get your prescriptions through the mail - delivered to your home! Mail service is limited to those items for which a 90-day supply is appropriate. Your copays for mail service prescriptions may be different from your standard prescription copays. Each copay covers up to a 90-day supply of a prescription or refill.

- Sorry, there are some items you can't get through the mail service:
  - Any drugs for which mail service is prohibited by law; and
  - Prescriptions for which a 90-day supply may not be appropriate as determined by Health New England.
  - Injectables

*Where you matter.*

## **H M O P L A N O V E R V I E W**

### **WE'RE HERE WHEN YOU NEED US**

If you're like most people, you don't think about your health insurance – until you need it. That's what we're here for. At Health New England, we work hard to make sure you get the care that you need, when you need it – from a routine checkup to emergency care.

Our plans offer all those services and more.  
Choose Health New England for:

#### ***Broad coverage*** ***Predictable costs***

Preventive care – periodic health exams, routine childhood immunizations, well-child care, and more – we cover it. Emergency care – anywhere in the world, any time of day – we cover it. Inpatient care – hospitalization, skilled nursing facility care, rehabilitation – we cover it. Outpatient care – surgery, diagnostic imaging, specialty services – we cover it. For all covered services, your payment responsibilities are outlined in this summary.

### **A PRIMARY CARE PROVIDER TO MANAGE YOUR CARE**

You'll choose your own Primary Care Provider (PCP) from our directory. A PCP may be a doctor or participating nurse practitioner of internal medicine, family practice, general practice, or pediatrics. Your PCP is available 24 hours a day to coordinate your care, provide advice and direction, refer you to specialty care, and manage follow-up treatment.

You may select any PCP, except those who have notified us that they no longer accept new patients. Member Services representatives can provide up-to-date information on PCPs in your area. You can even choose a different PCP for each member of your family.

### **EASY ACCESS TO YOUR OB/GYN**

We cover annual preventive GYN exams and related services – medically necessary evaluations and services for GYN conditions, mammograms, and maternity care. What's more – you don't need a referral! Just schedule your appointment with your in-plan doctor and go.

### **SIMPLICITY AND CONVENIENCE**

- There are no claim forms to submit when you get care from in-plan providers.
- We don't require referrals for in-plan specialty services – although prior approval is required for a limited number of covered services.
- You have toll-free access to knowledgeable, friendly Member Services representatives who can help you understand your benefits and get the services you need.
- If you feel more comfortable speaking a language other than English, talk to one of our Spanish speaking Member Services representatives, or for other languages, take advantage of our free interpreter and translation service.

### Summary of Benefits Chart

This chart provides a summary of key services offered by your Health New England (HNE) plan. Your member agreement has a full description of your plan's benefits and provisions. If any terms in this summary differ from those in your member agreement, the terms of the member agreement apply.

**Note about Prior Approval:**

Some services may require prior approval. These services are marked with † in the chart. If you do not obtain Prior Approval, benefits may be denied.

## How Your Prescription Drug Coverage Works

Health New England is committed to providing our members with access to safe and effective medications. We cover most prescription drugs and a small number of non-prescription drugs and medical supplies. Covered prescription drugs are divided into three tiers with different member copays. Copays you pay are applied toward your plan Out-of-Pocket Maximum.

## The Health New England Formulary

Covered prescription drugs are divided into three tiers with different member copays.

| Tier                    | Description                                                                                                                                                                                                                                                                                                                                                                                                                      | Level of Member Copay                   |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------|
| 1 - Generic             | Approved by the U.S. Food and Drug Administration (FDA), Generic Drugs (Tier 1) contain the same active ingredients as brand name drugs, are just as safe and effective, and usually cost less. Health New England encourages the dispensing of generic drugs whenever possible. You pay the lowest copay for generic drugs.                                                                                                     | Lowest                                  |
| 2 - Brand/Formulary     | Brand/Formulary Drugs (Tier 2) are marketed under a trademarked brand name, usually by one manufacturer, and do not have less costly generic equivalents. Brand/Formulary Drugs are selected based on a review of the relative safety, effectiveness and cost of the many FDA-approved drugs on the market. Your copay for Brand/Formulary Drugs is higher than for Generic Drugs, but lower than for Brand/Non-Formulary Drugs. | Higher than Tier 1<br>Lower than Tier 3 |
| 3 - Brand/Non-Formulary | Any brand name drug that Health New England has not selected as a Brand/Formulary Drug is a Brand/Non-Formulary Drug (Tier 3). This category includes, any brand name drug that has a generic equivalent (Tier 1) or brand drugs that have formulary generic and brand alternatives. These medications are still covered, but at the highest copay level. We do not waive or reduce copays for Brand/Non-Formulary drugs.        | Highest                                 |

A small list of drugs is not covered. Health New England limits coverage for some prescription drugs. Coverage limits include:

- Prior Approval: Your doctor has to request coverage from Health New England before you can get the drug.
- Quantity limits: Health New England will cover only a certain amount of the drug each month.
- Step therapy: You have to try a drug used to treat the same condition (therapeutic equivalent) before Health New England will cover the drug.

To obtain a complete list of drugs that are excluded, limited, or require prior authorization, or to obtain a copy of the Health New England Formulary listing, please call Member Services at (413) 787-4004 or (800) 310-2835 or visit [healthnewengland.org](http://healthnewengland.org).

## *Two easy ways to get your prescriptions...*

### At a Retail Pharmacy

Through our national pharmacy network, you can get medications at participating pharmacies no matter where in the country you are. Whether you're home, on vacation, or away for business or other reasons, you can fill prescriptions at any of the more than 50,000 pharmacies that participate in our national network. Participating pharmacies include CVS, Costco, Stop & Shop, Walgreens and Target.

Just show your Health New England ID card, along with your prescription or refill, and pay the applicable copay.

### Through the Mail

We also offer a mail service option, in case you want to get your prescriptions through the mail - delivered to your home! Mail service is limited to those items for which a 90-day supply is appropriate. Your copays for mail service prescriptions may be different from your standard prescription copays. Each copay covers up to a 90-day supply of a prescription or refill.

- Sorry, there are some items you can't get through the mail service:
  - Any drugs for which mail service is prohibited by law; and
  - Prescriptions for which a 90-day supply may not be appropriate as determined by Health New England.
  - Injectables

# Plan Overview

**Health New England**  
*Where you matter.*

## P P O P L A N O V E R V I E W

### **ACCESS TO QUALITY CARE LOCALLY ...**

More than 7,700 local, independently practicing physicians as well as the area's finest hospitals are in our network. Every two years, we review our in-plan physicians' board certification, education, credentials, and experience to verify they meet quality standards.

### **... AND NATIONALLY**

In addition to our local doctors and facilities, we have agreements with more than 330,000 doctors and 3,300 hospitals across the country through an arrangement with Private Health Care Systems (PHCS). You also have the flexibility to see providers who do not participate with Health New England or PHCS, but your costs will be higher and level of coverage will be lower.

Your payment responsibilities for Health New England providers, PHCS providers, and out-of-plan providers are described in this book.

### **EASY ACCESS TO YOUR OB / GYN**

We cover annual preventive GYN exams and related services – medically necessary evaluations and services for GYN conditions, mammograms, and maternity care. What's more – you don't need a referral! Just schedule your appointment with your in-plan doctor and go.

### **SIMPLICITY AND CONVENIENCE**

- There are no claim forms to submit when you get care from in-plan providers.
- We don't require referrals for in-plan specialty services – although prior approval is required for a limited number of covered services.
- You have toll-free access to knowledgeable, friendly Member Services representatives who can help you understand your benefits and get the services you need.
- If you feel more comfortable speaking a language other than English, talk to one of our Spanish speaking Member Services representatives, or for other languages, take advantage of our free interpreter and translation service.

## Summary of Benefits Chart

This chart provides a summary of key services offered by your Health New England (HNE) plan. Your member agreement has a full description of your plan's benefits and provisions. If any terms in this summary differ from those in your member agreement, the terms of the member agreement apply.

### Note about Prior Approval:

Some services may require prior approval. These services are marked with † in the chart. If you do not obtain Prior Approval, benefits may be denied.

## How Your Prescription Drug Coverage Works

Health New England is committed to providing our members with access to safe and effective medications. We cover most prescription drugs and a small number of non-prescription drugs and medical supplies. Covered prescription drugs are divided into three tiers with different member copays. Copays you pay for prescription drugs from In-Plan providers are applied toward your In-Plan Out-of-Pocket Maximum.

## The Health New England Formulary

Covered prescription drugs are divided into three tiers with different member copays.

| Tier                        | Description                                                                                                                                                                                                                                                                                                                                                                                                                      | Level of Member Copay                   |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------|
| 1 - Generic                 | Approved by the U.S. Food and Drug Administration (FDA), Generic Drugs (Tier 1) contain the same active ingredients as brand name drugs, are just as safe and effective, and usually cost less. Health New England encourages the dispensing of generic drugs whenever possible. You pay the lowest copay for generic drugs.                                                                                                     | Lowest                                  |
| 2 - Brand/<br>Formulary     | Brand/Formulary Drugs (Tier 2) are marketed under a trademarked brand name, usually by one manufacturer, and do not have less costly generic equivalents. Brand/Formulary Drugs are selected based on a review of the relative safety, effectiveness and cost of the many FDA-approved drugs on the market. Your copay for Brand/Formulary Drugs is higher than for Generic Drugs, but lower than for Brand/Non-Formulary Drugs. | Higher than Tier 1<br>Lower than Tier 3 |
| 3 - Brand/<br>Non-Formulary | Any brand name drug that Health New England has not selected as a Brand/Formulary Drug is a Brand/Non-Formulary Drug (Tier 3). This category includes, any brand name drug that has a generic equivalent (Tier 1) or brand drugs that have formulary generic and brand alternatives. These medications are still covered, but at the highest copay level. We do not waive or reduce copays for Brand/Non-Formulary drugs.        | Highest                                 |

A small list of drugs is not covered. Health New England limits coverage for some prescription drugs. Coverage limits include:

- Prior Approval: Your doctor has to request coverage from Health New England before you can get the drug.
- Quantity limits: Health New England will cover only a certain amount of the drug each month.
- Step therapy: You have to try a drug used to treat the same condition (therapeutic equivalent) before Health New England will cover the drug.

To obtain a complete list of drugs that are excluded, limited, or require prior authorization, or to obtain a copy of the Health New England Formulary listing, please call Member Services at (413) 787-4004 or (800) 310-2835 or visit [healthnewengland.org](http://healthnewengland.org).

## *Two easy ways to get your prescriptions...*

### At a Retail Pharmacy

Through our national pharmacy network, you can get medications at participating pharmacies no matter where in the country you are. Whether you're home, on vacation, or away for business or other reasons, you can fill prescriptions at any of the more than 50,000 pharmacies that participate in our national network. Participating pharmacies include CVS, Costco, Stop & Shop, Walgreens and Target.

Just show your Health New England ID card, along with your prescription or refill, and pay the applicable copay.

### Through the Mail

We also offer a mail service option, in case you want to get your prescriptions through the mail - delivered to your home! Mail service is limited to those items for which a 90-day supply is appropriate. Your copays for mail service prescriptions may be different from your standard prescription copays. Each copay covers up to a 90-day supply of a prescription or refill.

- Sorry, there are some items you can't get through the mail service:
  - Any drugs for which mail service is prohibited by law; and
  - Prescriptions for which a 90-day supply may not be appropriate as determined by Health New England.
  - Injectables

## P P O P L A N O V E R V I E W

### **ACCESS TO QUALITY CARE LOCALLY ...**

More than 7,700 local, independently practicing physicians as well as the area's finest hospitals are in our network. Every two years, we review our in-plan physicians' board certification, education, credentials, and experience to verify they meet quality standards.

### **... AND NATIONALLY**

In addition to our local doctors and facilities, we have agreements with more than 330,000 doctors and 3,300 hospitals across the country through an arrangement with Private Health Care Systems (PHCS). You also have the flexibility to see providers who do not participate with Health New England or PHCS, but your costs will be higher and level of coverage will be lower.

Your payment responsibilities for Health New England providers, PHCS providers, and out-of-plan providers are described in this book.

### **EASY ACCESS TO YOUR OB / GYN**

We cover annual preventive GYN exams and related services – medically necessary evaluations and services for GYN conditions, mammograms, and maternity care. What's more – you don't need a referral! Just schedule your appointment with your in-plan doctor and go.

### **SIMPLICITY AND CONVENIENCE**

- There are no claim forms to submit when you get care from in-plan providers.
- We don't require referrals for in-plan specialty services – although prior approval is required for a limited number of covered services.
- You have toll-free access to knowledgeable, friendly Member Services representatives who can help you understand your benefits and get the services you need.
- If you feel more comfortable speaking a language other than English, talk to one of our Spanish speaking Member Services representatives, or for other languages, take advantage of our free interpreter and translation service.

### Summary of Benefits Chart

This chart provides a summary of key services offered by your Health New England (HNE) plan. Your member agreement has a full description of your plan's benefits and provisions. If any terms in this summary differ from those in your member agreement, the terms of the member agreement apply.

**Note about Prior Approval:**

Some services may require prior approval. These services are marked with † in the chart. If you do not obtain Prior Approval, benefits may be denied.

| Combined Medical/Pharmacy Deductible per Year* (You must pay this amount for Covered Services before HNE will begin to pay benefits. As indicated in the chart below, some services are not subject to the Deductible. If your plan includes prescription drug coverage, your prescriptions are subject to this Deductible. This amount is a combined amount for In-Plan & Out-of-Plan Providers.) | \$2,000 per individual / \$4,000 per family** | \$2,000 per individual / \$4,000 per family** |
| In-Plan Out-of-Pocket Maximum* (This is the most you pay for cost sharing each year before your plan begins to pay 100% of the allowed amount. This is a combined amount for HNE and PHCS providers. Your Copays for prescription drugs are included in this Maximum.)                                                                                                                             | \$5,000 per individual / \$10,000 per family  | Not applicable                                |
| Out-of-Plan Out-of-Pocket Maximum* (This is the most you will pay in a year for the combined cost of your Medical/Pharmacy Deductible amount applied to Out-of-Plan services, and Coinsurance for Covered Services from Out-of-Plan Providers. Your Copays for prescription drugs are included in this Maximum.)                                                                                   | Not applicable                                | \$7,500 per individual / \$15,000 per family  |
| * May be based on a Calendar Year or a Plan Year. This depends on the Group through which you enroll.                                                                                                                                                                                                                                                                                              |                                               |                                               |
| ** Once any individual on a family plan has paid \$2,800 towards the family deductible, the plan will begin to pay benefits for that individual.                                                                                                                                                                                                                                                   |                                               |                                               |

## How Your Prescription Drug Coverage Works

Health New England is committed to providing our members with access to safe and effective medications. We cover most prescription drugs and a small number of non-prescription drugs and medical supplies. Covered prescription drugs are divided into three tiers with different member copays. Copays you pay are applied toward your plan Out-of-Pocket Maximums.

## The Health New England Formulary

Covered prescription drugs are divided into three tiers with different member copays.

| Tier                        | Description                                                                                                                                                                                                                                                                                                                                                                                                                      | Level of Member Copay                   |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------|
| 1 - Generic                 | Approved by the U.S. Food and Drug Administration (FDA), Generic Drugs (Tier 1) contain the same active ingredients as brand name drugs, are just as safe and effective, and usually cost less. Health New England encourages the dispensing of generic drugs whenever possible. You pay the lowest copay for generic drugs.                                                                                                     | Lowest                                  |
| 2 - Brand/<br>Formulary     | Brand/Formulary Drugs (Tier 2) are marketed under a trademarked brand name, usually by one manufacturer, and do not have less costly generic equivalents. Brand/Formulary Drugs are selected based on a review of the relative safety, effectiveness and cost of the many FDA-approved drugs on the market. Your copay for Brand/Formulary Drugs is higher than for Generic Drugs, but lower than for Brand/Non-Formulary Drugs. | Higher than Tier 1<br>Lower than Tier 3 |
| 3 - Brand/<br>Non-Formulary | Any brand name drug that Health New England has not selected as a Brand/Formulary Drug is a Brand/Non-Formulary Drug (Tier 3). This category includes, any brand name drug that has a generic equivalent (Tier 1) or brand drugs that have formulary generic and brand alternatives. These medications are still covered, but at the highest copay level. We do not waive or reduce copays for Brand/Non-Formulary drugs.        | Highest                                 |

A small list of drugs is not covered. Health New England limits coverage for some prescription drugs. Coverage limits include:

- Prior Approval: Your doctor has to request coverage from Health New England before you can get the drug.
- Quantity limits: Health New England will cover only a certain amount of the drug each month.
- Step therapy: You have to try a drug used to treat the same condition (therapeutic equivalent) before Health New England will cover the drug.

To obtain a complete list of drugs that are excluded, limited, or require prior authorization, or to obtain a copy of the Health New England Formulary listing, please call Member Services at (413) 787-4004 or (800) 310-2835 or visit [healthnewengland.org](http://healthnewengland.org).

## *Two easy ways to get your prescriptions...*

### At a Retail Pharmacy

Through our national pharmacy network, you can get medications at participating pharmacies no matter where in the country you are. Whether you're home, on vacation, or away for business or other reasons, you can fill prescriptions at any of the more than 50,000 pharmacies that participate in our national network. Participating pharmacies include CVS, Costco, Stop & Shop, Walgreens and Target.

Just show your Health New England ID card, along with your prescription or refill, and pay the applicable copay.

### Through the Mail

We also offer a mail service option, in case you want to get your prescriptions through the mail - delivered to your home! Mail service is limited to those items for which a 90-day supply is appropriate. Your copays for mail service prescriptions may be different from your standard prescription copays. Each copay covers up to a 90-day supply of a prescription or refill.

- Sorry, there are some items you can't get through the mail service:
  - Any drugs for which mail service is prohibited by law; and
  - Prescriptions for which a 90-day supply may not be appropriate as determined by Health New England.
  - Injectables

# QUESTIONS AND ANSWERS

## What if I decline coverage now – can I get it later? (Special Enrollment Rights)

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance coverage, you, may in the future, be able to enroll within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

## How do I get Urgent Care?

We require doctor's offices to have 24 hour phone coverage. Your doctor or someone covering will help you decide what to do – whether you should get care right away or wait to see your own doctor.

Health New England also has a 24-hour nurse line. If you can't reach your doctor, call us at (413) 787-4000 or toll free (800) 842-4464. An experienced nurse will listen to your concerns and help you choose the care that's right for you.

Finally, we contract with a number of Urgent Care Centers. You can find an Urgent Care Center near you on our website, [healthnewengland.org](http://healthnewengland.org). Just click on Find a Provider at the top of the page. In general, Urgent Care Centers have a Specialist copay, not

an ER copay, so you'll save time AND money. Please coordinate any follow up visits with your Primary Care Physician.

## How do I get covered Durable Medical Equipment and supplies?

When prescribed by your physician, we cover certain Durable Medical Equipment (DME), medical and surgical supplies, and prostheses. Some items require Prior Approval. For HMO Plans, an In-Plan DME vendor must provide covered services. For a list of In-Plan DME vendors, please visit our website, [healthnewengland.org](http://healthnewengland.org). Then click Find a Doctor at the top of the page. If your previous insurance has been covering your supplies, please call Health New England Member Services to ensure a smooth transition.

## What services are not covered by Health New England?

We cover services that are medically necessary for the prevention or treatment of illnesses or injury – as long as you follow Plan procedures. Here are some general exclusions that you should know about.

- If you have an HMO plan, care by out-of-plan providers is not covered unless it's emergency care or it's pre-authorized by the Plan.
- A small number of services require prior approval by the Plan

(see the description of Utilization Management). If you sign up for an HMO plan, and you don't get prior approval for a service that requires it, we will not cover that service. For PPO plans, coverage for that service may be either denied or reduced, depending on the type of service.

- We do not cover:
  - Care or treatment provided by a family member
  - Cosmetic surgery or procedures
  - Custodial care
  - Dental services, except as described in the Summary of Benefits.
  - Educational services or testing
  - Experimental or investigational medical services
  - Holistic treatments
  - Services for the personal comfort or convenience of the member
  - Services required by third parties (e.g., school, camp, work physical)
  - Services that should be covered by another insurer (like Workers' Compensation)
  - Veterans Administration services for service-connected disabilities

Your membership materials will include a more complete listing of specific benefits, exclusions and limitations.

**Important Note:** *By enrolling in the Plan, or receiving benefits or coverage under the plan, you agree to accept all of the plan terms, which we describe in your member agreement.*

# UTILIZATION MANAGEMENT

At Health New England, we believe that medical decisions should be made by you and your doctor.

Like any insurer, we do have coverage requirements – such as, you need to get prior approval to see a doctor who is not part of your plan. Coverage decisions are made based on all the available information, and if necessary, discussed with your doctor.

This is an important part of our Utilization Management (UM) Program.

## Purpose

Through this program, we gather information on treatment and services and review certain claims. In this way, we determine if the services are *covered benefits* and whether treatment and services are *medically necessary* and *appropriate*. Our medical director oversees the process and supervises all activities.

## How it Works

We use nationally recognized guidelines and resources which measure the intensity of service along with the severity of illness or disease. If we let other provider groups perform UM functions, we approve any criteria they use. In all cases, we base decisions on whether treatment and services are medically necessary and appropriate.

Our evaluation involves a number of components:

- **Pre-certification / Pre-authorization** - We collect information from doctors and members before they begin an inpatient hospital stay or undergo certain outpatient procedures and services. This allows us to determine eligibility and coverage in advance and establish open, honest communications with members and their doctors. It also makes it easier to coordinate transition to the next level of care. For example, we may elect to move members into programs for chronic diseases such as asthma; register them for a prenatal program; or, initiate case management for complex situations. We make this decision based on the information available at the time service is requested.
- **Concurrent review** - We speak with providers and facilities to help determine whether services are covered and medically necessary; identify case management opportunities; and, begin to plan discharge.
- **Discharge planning** - We help coordinate a member's transition from the inpatient setting to the next level of care.

- **Retrospective review** - After members have received care, we may speak with providers and facilities to determine whether services are covered and medically necessary. We base our determination on whether members received treatment and services appropriate for their needs at the time of service.

## Making the Decision

If we determine that a service is not covered or medically necessary, coverage for the service could be denied. Only our medical directors make decisions to deny coverage for reasons of medical necessity. We notify members and providers in writing and include information about the reasons for the determination (including the clinical rationale); how to initiate an appeal; and the clinical review criteria used in the decision.

Health New England does not:

- pay employees, providers, or others involved in utilization management for denials of coverage or service
- use incentives to reward inappropriate restrictions of care

# HOW WE PROTECT YOUR PRIVACY

Health New England is committed to protecting your privacy. We keep members' protected health information (PHI) confidential according to our policies and state and federal law, including the Health Insurance Portability and Accountability Act (HIPAA). Our Notice of Privacy Practices contains more detailed information about our policies and practices regarding the collection, use, and disclosure of your PHI. It also sets forth your rights with respect to your PHI. You can request a complete copy of our Notice of Privacy Practices by contacting Health New England Member Services.

## **How does Health New England protect my PHI?**

We have a detailed policy on confidentiality. This policy applies to all oral, written, and electronic information that we have about you. All Health New England employees are required to protect the confidentiality of your PHI. An employee may only access, use, or disclose your information when he or she has an appropriate reason to do so. Each employee or temporary employee must sign a statement that he or she has read and understands the policy. Once a year, we send a notice to employees to remind them of this policy. Any employee who violates the policy is subject to discipline and may be fired. You may request a copy of our Privacy Policy from Health New England Member Services. We also include

confidentiality provisions in all of its contracts with Plan Providers. Finally, we maintain physical, electronic, and procedural safeguards to protect your information.

## **How does Health New England use and disclose my PHI?**

HIPAA and other laws allow or require us to use or disclose your PHI for many different reasons. Health New England may use and disclose your information in connection with your treatment, the payment for your health care, and our health care operations, including our quality and utilization management activities. We also can disclose your information to providers and other health plans that have a relationship with you for their treatment, payment and some limited health care operations. In addition, federal law allows or requires us to use or disclose your PHI to serve other purposes, such as for public health activities, or when we are required by law to disclose the information. We do not need your authorization for these purposes.

For other uses and disclosures of your information, we must get your written authorization. A written authorization request will specify the purpose of the requested disclosure, the persons or class of persons to whom the information may be given, and an expiration date for the authorization. If you do provide a written authorization, you generally have the right to revoke it.

## **Will Health New England disclose my PHI to anyone outside Health New England?**

We may share your PHI with affiliates and third party "business associates" (such as consultants and auditors) that perform various activities for us. Whenever such an arrangement involves the use or disclosure of your PHI, we will have a written contract that contains the terms designed to protect the privacy of your PHI.

## **Will Health New England disclose my PHI to my employer?**

In general, we will release to your employer only enrollment and disenrollment information, information that has been de-identified so that your employer cannot identify you, or summary health information. If your employer would like more specific PHI about you to perform plan administrative functions, we will either get your written authorization or we will ask your employer to certify that they have established procedures in their group health plan for protecting your PHI.

## **Can I get a copy of my medical records?**

Health New England does not provide medical care. Members receive care and treatment from providers based in their own facilities. Under Massachusetts law, you have a right to obtain a copy

of your medical records. To obtain a copy, contact your health care provider directly.

You also have the right to see and get a copy of some of the records that Health New England maintains, such as your enrollment, payment, claims, case or medical management records, and any other records that we use to make decisions about you. Requests for access to copies of these records must be in writing and sent to the Health New England Legal Department. Please provide us with the specific information we need to fulfill your request. We may charge a reasonable fee for the cost of producing and mailing the copies.

## Notice Informing Individuals of Nondiscrimination and Accessibility

## Authorization of Personal Representative Form Instructions

State and federal law gives you the right to choose one or more persons to act on your behalf with respect to the health information that pertains to you. By completing the Authorization of Personal Representative form, you are telling Health New England that you chose the named person as your Personal Representative. This form also allows Health New England to disclose your Protected Health Information (PHI) to the person you choose. The signature of a minor over the age of 12 is required to authorize release of sensitive information to their parent or legal guardian. (To authorize the release, the minor must complete Section 3 and sign this form.)

If you have questions about this form, call Member Services at **(413) 787-4004 or (800) 310-2835**. **Medicare Advantage members** should call **(413) 787-0010 or (877) 443-3314 (TTY 711)**.

**INSTRUCTIONS:** Complete all sections of the form. Please type or print all responses. This form must be filled out completely to be valid.

### Once completed, print and mail or fax the form to:

Health New England

Attention: Enrollment Department

One Monarch Place, Suite 1500, Springfield, MA 01144-1500 | Fax: (413) 233-2635

**Please note:** This form is available to print online at [healthnewengland.org/forms](http://healthnewengland.org/forms).

### Section 1. Provide the following Member identifying information

- **Health New England Member ID# from your member ID card.**
- **Medicare Number.** Medicare members only, provide your Original Medicare # from the red, white and blue card.
- **Name, Address, Telephone and Date of Birth of member.**

### Section 2. Provide the following Personal Representative identifying information:

- **Representative Name:** Name of the individual you are authorizing to receive your PHI
- **Address:** Address of your Personal Representative
- **Telephone:** Telephone #s (home, cell and work) of your Personal Representative
- **Relationship to Member:** Personal Representative's relationship to the member (for example, parent, spouse, friend or attorney)

### Section 3. Provide the Type of Information that may be disclosed and any date limitations.

- **All Information:** Check if authorizing all PHI to be shared with your Personal Representative except for Sensitive Health Information. (Please note that you still need to check the boxes for sharing any Sensitive Information if you wish to authorize release of this information.)
- **Sensitive Health Information:** Check the boxes for the types of information authorized if any. Please note: The signature of a minor over the age of 12 is required to authorize release of Sensitive Health Information to their parent or legal guardian in order for Health New England to disclose this information. (To authorize the release, the minor must complete this section and sign the form along with the parent/guardian to be valid.)
- **Only the information specified (type(s)/date(s)):** Provide the type(s) of information and any date ranges authorized. For example, you may authorize Health New England to share information about specific claims for specific dates of service.

#### **Section 4. Provide the Purpose of the authorization.**

- **Any and all:** Check if you are authorizing disclosure for any and all reasons. Your Personal Representative shall have all of the rights and privileges that you have with respect to your health information, including, but not limited to, requesting authorization on your behalf for certain services, changing your Primary Care Provider, discussing your eligibility, billing or claims information, and requesting copies of your records.
- **Grievance/Appeal:** Check if you are only authorizing disclosure to help with an appeal or grievance. Specify in Section 3 the type of information – for example, the name of the provider and the date(s) of the denied claim or authorization you wish to appeal. Such authorization shall include the right to view any documents, including medical records, related to this appeal.
- **Other purpose (specify):** Specify other specific reasons for disclosure, for example, to “Help with my bill.” Again, be sure to include any limits on what you want to allow us to discuss.

#### **Section 5. Review the Terms of the Authorization and specify the end date, if appropriate.**

Health New England has a record retention period of ten (10) years.

- **For Medicare members:** Medicare allows Appointment of a Personal Representative effective for one (1) year and the personal representative must sign Section 8 of this form.
- **For Commercial members:** If you do not provide an end date, this authorization will be valid for ten (10) years from the date signed. If you wish to end the authorization sooner, you must send us written notice to end the authorization.
- To revoke the authorization, the Revocation of Authorization form is available to print online at [healthnewengland.org/forms](http://healthnewengland.org/forms).

**Section 6. Print, sign and date the form.** (Please note: a minor over age 12 must sign the form here and complete Section 3 if the minor wishes to authorize a parent to receive Sensitive Information as noted above.)

**Section 7. If the individual is a minor or is otherwise unable to sign (for example, due to incapacitation), the Personal Representative also needs to sign and complete this section.** (If other than “parent,” please attach documentation, such as court appointment, power of attorney, etc.)

#### **Section 8. For Medicare Members Only**

If you want your Personal Representative to file prior approval requests, claims, grievances or appeals on your behalf, your Personal Representative **MUST** complete this section and accept the appointment. Authorization to do these things is only valid for ONE YEAR from the date you sign the Authorization Form.

### ADDITIONAL BENEFIT INFORMATION

Many smoking cessation programs recommend the use of nicotine replacement therapies to supplement and support your efforts. Your doctor (obstetrician, if you are pregnant) should decide if these are safe options for you. Depending on your Health New England insurance policy, if you are enrolled in a smoking cessation program, you may be eligible to get these medications for a limited time at \$0 cost-share. (Individual coverage/copays vary by employer group.)

**Check Health New England's Prescription Formulary on [healthnewengland.org](http://healthnewengland.org) and with your Benefits Administrator for possible coverage of the following:**

- Nicotine Replacement Gum, Lozenge or Patch
- Nicotrol® nasal spray
- Nicotrol® inhaler
- Chantix
- Generic Zyban® (bupropion SR)

*Note: These medications, if covered, have a maximum allowable number of doses per prescription and refills. Please call Health New England Member Services for updated information or if you have questions at (413) 787-4004 or (800) 310-2835, Monday–Friday, 8 a.m. – 6 p.m.*

IMPORTANT: PLEASE READ THESE  
TERMS OF ENROLLMENT

As an employee, I understand that:

- 1. By submitting this form or accepting coverage under the plan, I agree, on behalf of myself and all enrolled dependents, to abide by the terms of the Health New England (HNE) Agreement, which includes this form as well as the applicable Explanation of Coverage or Summary Plan Description.
- 2. Membership will become effective upon acceptance by the Plan and that benefits under the Plan will be explained in a separate document (Explanation of Coverage or Summary Plan Description).
- 3. I may only enroll dependents subject to the guidelines outlined in my HNE Agreement.
- 4. Whenever I seek treatment or services, I must identify myself as an HNE member by presenting my HNE Identification Card.
- 5. I must select a Primary Care Physician for myself and my dependents (does not apply to PPO).
- 6. If appropriate, I authorize my employer to deduct from my wages the rate required for the coverage selected.

As an employer, I understand that:

- 1. By submitting this form, I certify that the information provided on this form is accurate.

RACE & ETHNICITY

Why are these questions being asked?

The Commonwealth of Massachusetts has established statewide goals for improving health care quality and reducing racial and ethnic disparities in health care. HNE wants to do our part to remove any barriers to fair and unbiased treatment for all of our members. By collecting information about your race and ethnic background, we may be able to identify possible issues that affect the care or treatment you receive. HNE will then be able to work with our provider community to address any issues. We appreciate your assistance in this effort.

This information is designed for the purpose of data collection and will not be used for determining eligibility, rating or claim payment. HNE keeps this information confidential according to our policies and state and federal law.
